department. This sub-subparagraph shall expire on June 30, 2023.

2. Each district must allocate at least 80 percent of the funds provided for CAPE industry certification, in accordance with this paragraph, to the program that generated the funds. The remaining 20 percent may be used for other program expenses, such as administrative costs, which may not exceed 5 percent of the funds provided, and for other career-themed courses. This allocation may not be used to supplant funds provided for basic operation of the program, such as teacher salaries and other costs that are not funded through this allocation.

3. For CAPE industry certifications earned in the 2013-

Amendment No. 2

Grant Program is created to provide grants to high schools, career centers, charter technical career centers, Florida College System institutions, and other entities authorized to sponsor an apprenticeship or preapprenticeship program, as defined in s. 446.021, on a competitive basis to establish new apprenticeship or preapprenticeship programs and expand existing apprenticeship or preapprenticeship programs. The Department of Education shall administer the grant program.

(2) Applications must contain projected enrollment and projected costs for the new or expanded apprenticeship program.

(3) The department shall give priority to apprenticeship programs with demonstrated regional demand. Grant recipients may use grant funds ~~may be used~~ for instructional equipment, supplies, instructional personnel, student services, and other expenses associated with the creation or expansion of an apprenticeship program. Grant recipients may not use grant funds ~~may not be used for recurring instructional costs or for administrative or indirect costs~~. Grant recipients must submit quarterly reports in a format prescribed by the department.

(4) Up to \$200,000 of the total amount allocated may be used by the department to administer the grant program.

(5) ~~(4)~~ The State Board of Education may adopt rules to administer this section.
